

Community Hope Foundation

2023 Annual Report

Overview

In 2023, we prioritized community-led program design, climate resilience, and youth development across program areas.

Key Programs

- Education initiatives supported 3,900 learners.
- Health outreach delivered 7,800 consultations.
- Water systems expanded to 9 communities.
- Livelihood training supported 420 households.

Learning & Improvement

Community feedback mechanisms and program audits informed operational improvements for 2024.
