

Community Hope Foundation

2024 Annual Report

Overview

Our 2024 efforts focused on expanding education access, strengthening primary healthcare, and improving household resilience through skills training.

Key Programs

- Education support reached 4,800 learners.
- Health outreach delivered 9,600 consultations.
- Water infrastructure upgrades benefited 13,500 residents.
- Livelihood cohorts trained 510 participants.

Accountability

Annual planning, monitoring, and independent financial review were completed in line with internal compliance policies.
