

Community Hope Foundation  
Child Protection Policy

**Purpose**

To ensure the safety, dignity, and rights of children in all organizational activities.

**Standards**

- All child interactions are supervised and documented.
- Consent is required for media or data collection.
- No child is left alone with a staff member or volunteer.

**Risk Management**

Regular risk assessments are conducted before community engagements and field activities.

**Reporting**

Any suspected abuse must be reported immediately to management and relevant authorities.
